

# Restorative Parenting

Empower your family through proactive services

## DETAILS

Starts Monday, April 2nd

3:00- 4:30 pm

Sessions meet weekly

This open group is offered to both men and women.

Restorative Parenting can be provided in a group or individual/family therapy setting focusing on helping parents gain the skills needed to heal, restore, and repair relationships with their children following traumatic events.

**Cost: Billable to your eligible insurance plan**
