

Lee Carlson Center™
FOR MENTAL HEALTH & WELL-BEING

Licensed Therapist (Therapist II)

Lee Carlson Center for Mental Health & Well-Being, a 501c3 non-profit, the primary provider of outpatient mental health services in Anoka County and surrounding areas, is excited to be recruiting a licensed therapist to work in our School-linked and Clinic-based Mental Health Programs.

We are seeking applicants who are passionate, self-motivated, and committed about learning and sharing their clinical skills and knowledge with a dynamic team in order to provide mental health services to children and adolescents. We prefer candidates who thrive on working in a semi-autonomous work environment requiring flexibility and priority setting.

The primary objective of this position is to provide mental health assessment and mental health therapy. Clinical work will occur primarily at school and clinic sites as well as in home when necessary. This position will practice independently and provide professional and confidential assessment as well as individual, family and group psychotherapy services to help clients address issues including emotional/behavioral problems, environmental conditions and social difficulties, as well as perform other assignments under minimal supervision. The position will also include working closely with school personnel and other professionals in a mental health care coordination, consultation and training role.

The Licensed Therapist (Therapist II):

- Provides school, clinic and in home individual, family and group therapy to clients.
- Completes diagnostic assessment including assessment of mental health concerns, treatment plans, CASIs, DQs, and all required charting and insurance documentation in a timely manner
- Provides in service training to school staff as needed
- Provides referrals to navigators for MN Sure if families do not have health insurance
- Collaborates on care coordination with school and other involved professionals
- Attends school meetings (IEP meetings, Student Intervention team, etc.)
- Provides consultations with parents and school staff
- Offers mental health crisis intervention for student clients

Education and/or Experience Required: Clinical Licensure as a Mental Health Therapist in Minnesota including one of the following required credentials; LICSW, LPCC, LMFT, LP. Must have experience working with children, youth, adults and families with diverse clinical issues.

Competitive salary and benefits provided with many other perks including but not limited to reimbursement of license exam fees, license fees, training in evidence-based practices, integration with our cutting edge innovative practices and dynamic and holistic model of care. Many of our employees pursue additional credentials as part of a professional development plan supported by the agency.
