Licensed School-based Therapist

Lee Carlson Center for Mental Health and Well-being seeks a School-based Therapist who is a Qualified, Fully Licensed Mental Health Professional in one of the following disciplines; LPCC, LICSW, LP, or LMFT for elementary and high schools in Osseo, Spring Lake Park, Fridley, and Centennial districts.

The School-based Therapist (Therapist II) will provide therapy and related support services to clients in their school office, at the client's home and in the agency office setting as part of our School Linked Mental Health (SLMH) program. Qualified candidates will;

- Be highly flexible and have experience working with children, youth, adults and families with diverse clinical issues.
- Possess the ability to be culturally sensitive and have an understanding of personal boundaries and professional ethics.
- Be able to work under stress and intervene appropriately in crisis situations.
- Have experience working with elementary aged children and their families
-

In some cases, therapists might be assigned to multiple schools. Lee Carlson Center is currently recruiting candidates licensed as mental health professionals to work in the following school districts:

Osseo, Spring Lake Park, Fridley, and Centennial.
