

Therapist I (Masters Level Qualified Clinical Trainee)

Lee Carlson Center for Mental Health & Well-Being, a 501c3 non-profit, the primary provider of outpatient mental health services in Anoka County and surrounding areas, is recruiting a licensed therapist for our Clinic, In Home and School-linked Mental Health Programs serving children and families.

We are seeking applicants who are passionate, self-motivated, and committed about learning and sharing their clinical skills and knowledge with a dynamic team in order to provide mental health services to children and adolescents as well as their families. We prefer candidates who thrive on working in a semi-autonomous work environment requiring flexibility and priority setting.

The primary objective of this position is to provide mental health assessment and mental health therapy. Work will occur primarily in the client's home, the community and at school as well as at clinic sites when necessary. This position will practice independently under the supervision of a mental health professional and provide professional and confidential assessment as well as individual, family and group psychotherapy services to help clients address issues including emotional/behavioral problems, environmental conditions and social difficulties, as well as perform other assignments. The position will also include working closely with school personnel and other professionals in a mental health care coordination, consultation and training role.

The Therapist:

- Provides home based, community based, school based, and clinic based individual, family and group therapy to clients.
- Completes diagnostic assessment including assessment of mental health concerns, treatment plans, CASIs, DQOs, and all required charting and insurance documentation in a timely manner.
- Provides in service training to school staff as needed.
- Provides referrals to navigators for MN Sure if families do not have health insurance.
- Collaborates on care coordination with school and other involved professionals
- Attends school meetings (IEP meetings, Student Intervention team, etc.)
- Provides consultations with parents and school staff
- Provides psychoeducation services to parents and clinical care consultation services to the treatment team.
- Offers mental health crisis intervention

Education and/or Experience Required: Qualified Masters Level Clinical Trainee actively working towards licensure as a Mental Health Professional in one of the following disciplines; LPCC, LICSW, LP, or LMFT

Competitive salary and benefits provided with many other perks including but not limited to reimbursement of license exam fees, training in evidence-based practices, integration with our cutting edge innovative practices and dynamic and holistic model of care, credential development and professional development. Also, supervision toward licensure is offered at no cost to the employee when a licensed professional in the trainee's chosen clinical discipline is employed with the agency.

To apply please send a resume and cover letter with interest to ssimpson@leecarlsoncenter.org
