Children and Families

Lee Carlson Center for Mental Health and Well-Being is a certified provider of Children's Therapeutic Services and Supports (CTSS).

In-Home Therapy provided through a CTSS benefit set is a structured, consistent, strengths-based therapeutic service provided by a clinician to children, youth and families for the purpose of treating the youth's social, emotional and behavioral-health needs.

There is also a specific emphasis placed on improving the family's ability to provide effective support for their children in the home with the goal of avoiding admission to an inpatient hospital, psychiatric residential treatment facility or other intensive treatment setting or service.

In-home services for children and families are covered under many health plans and are currently available in our communities. Please contact us to determine if you qualify. If you do, services can begin right away.

Adults

Lee Carlson Center for Mental Health and Well-Being is a certified provider of Adult Rehabilitative Mental Health Services (ARMHS).

Adult Rehabilitative Mental Health Services (ARMHS) are a set of services that were developed to bring restorative, recovery-oriented interventions directly to individuals who have the capacity to benefit from them, whether in their homes or elsewhere in the community. ARMHS includes four components: basic living and social skills, community intervention, medication education and transitioning to community living. Individuals eligible for ARMHS services are insured by Medicaid and are pre-diagnosed with a serious and persistent mental illness. Eligibility is assessed prior to service.

Our ARMHS Services reach individuals living in Anoka County and Hennepin County.

Our CTSS In-Home Therapy and ARMHS clients also have access to other services the agency offers, including:

- School-based Therapy
- Individual & Group Therapy
- Psychological Testing & Assessment
- Art Therapy
- Integrative & Holistic Treatments
- Trauma Therapy
- Psychiatry & Medication Management
- Couples Counseling
- Parent Support & Coaching
- Family Therapy
- Play Therapy

Ask your provider to be referred or contact our INTAKE LINE at 763.780.3036.
