

Licensed Supervising Domestic Abuse Therapist (LICSW)

Lee Carlson Center for Mental Health & Well-Being is a 501c3 non-profit and the primary provider of outpatient mental health services in Anoka County and surrounding areas. Each year we offer hope and healing to more than 6,000+ individuals and families struggling with a variety of emotional health issues. Services include clinic, home and school-based counseling and individual, family and group therapy as well as psychological testing, assessment and psychiatry.

A beacon of hope and healing for over 40 years, our mission is to provide exceptional and affordable mental health services to families, children, youth, and adults

We are seeking candidates who are passionate, self-motivated, and committed about learning and sharing their clinical skills. Candidates should have experience working with a dynamic team in order to provide mental health services to individuals and their families. Preferred applicants thrive working in a semi-autonomous work environment require flexibility and organizational skills.

The primary objective of this position is to provide mental health assessment and mental health therapy. Domestic Abuse & Clinical work will occur primarily at our clinic sites. This position will practice independently and provide professional and confidential assessment as well as individual, family and group psychotherapy services to help clients address issues including emotional/behavioral problems, environmental conditions and social difficulties, as well as perform other assignments under minimal supervision. The position will also include working closely with other professionals in a mental health care coordination, consultation and training role.

Education and/or Experience Required:

Clinical Licensure in Minnesota in the following required credentials: LICSW. Licensing board approval to provide clinical supervision to clinical trainees is required.

Experience working in a leadership capacity in a clinic setting is preferred. Must have experience working with children, youth, adults and families with diverse clinical issues including domestic violence. Must have experience providing service in individual, group and family modalities. Must be culturally sensitive and have knowledge of personal boundaries and professional ethics. Must be able to work under stress and intervene appropriately in crisis situations.
