Experienced Trauma-focused Therapist

Lee Carlson Center for Mental Health & Well-Being, a non-profit, primary provider of mental health services in the greater Twin Cities North Metro Region is recruiting an experienced Trauma-focused therapist to provide support to children and their families to assist in mitigating the effects of trauma and other concerns that impact children's ability to form strong bonds and attachment with caregivers, peers and adults.

The ideal candidate will have experience coaching caregivers on how to best address challenging behavior and help build relational skill needed for successful age appropriate growth and development with attention to each child's specific emotional needs and concerns. The ideal candidate will be flexible enough to meet clients and caregivers wherever necessary including in their home, in their school, in the community or in the clinic and be experienced in providing support to individuals, the family, groups of children and parents and other service providers. Both home office and site-based office arrangements may be available for the right candidate.

Independently licensed mental health professionals or qualified clinical trainees actively pursuing licensure in Minnesota in one of the following credentialed disciplines is required; LICSW, LPCC, LMFT, LP.

This position's primary casework territory will include areas of Hennepin, Wright, Sherburne and Benton Counties.

Competitive salary and benefits: We are pleased to offer a variety of benefits.

Benefits include, but are not limited to:

- Mileage reimbursement
- Reimbursement of license exam fees
- License fees, training in evidence-based practices
