

## ARMHS Specialist

Lee Carlson Center for Mental Health & Well-Being is a 501c3 non-profit and the primary provider of outpatient mental health services in Anoka County and surrounding areas. Each year we offer hope and healing to more than 6,000+ individuals and families struggling with a variety of emotional health issues. Services include clinic, home and school-based counseling and individual, family and group therapy as well as psychological testing, assessment and psychiatry.

A beacon of hope and healing for over 40 years, our mission is to provide exceptional and affordable mental health services to families, children, youth, and adults

### Responsibilities

- Provide information and referral assistance regarding available support from appropriate social service agencies and/or community programs.
- Assist clients in development of a strength-based/solution-focused individualized goal and action plan that promotes self-sufficiency;
- Develop an effective, timely referral network in order to ensure ongoing direction and support as needed.
- Identify client strengths and barriers to stability and assist clients to reducing barriers and linking to resources and services.
- Provide proactive follow up home visits to ensure stability and further progress towards self-sufficiency; this includes support, advocacy, reducing isolation, listening, problem solving and identification of resources to assist with reintegration of clients in the community.
- Maintain accurate daily logs records, monthly outcome reports and files for each client.
- Collect and report program data, including but not limited to agency Electronic Medical Record, HMIS and MHIS reporting and funders required data.
- Provide Adult Rehabilitative Mental Health Services (ARMHS) services to enable individual to develop and enhance psychiatric stability, social competencies, personal and emotional adjustment, and independent living and community skills, when these abilities are impaired by the symptoms of mental illness.
- Instruct, assist, and support the individual in areas such as: interpersonal communication skills, community resource utilization and integration skills, crisis assistance, relapse prevention skills, health care directives, budgeting and shopping skills, healthy lifestyle skills and practices, cooking and nutrition skills, transportation skills, medication education and monitoring, mental illness symptom management skills, household management skills, employment-related skills, and transition to community living services.
- Meet with individuals 2-5 hours a week in the community, at the office or in the individual's home.

### Qualifications
